*** * * * UPDATE * * * ***

Grand Tour riders past and present. With the COVID-19 situation as it is, the Los Angeles Wheelmen Board of Directors has chosen to cancel this year's Grand Tour and the training rides for the event. It's not a decision we wanted to make, but one that we have to under the present circumstances. We will be monitoring the current situation and if things improve we will revisit our decision.

Please check the website for future updates. Stay safe and keep the rubber side down.
