

Virtual Double Centuries and the California Triple Crown

July 30, 2021

Tony Musorafite, Mike Sturgill, and Chuck Bramwell have verified every Strava page for every Virtual Double Century so far in 2021. We are awaiting the results of the Virtual Grand Tour with Strava links after which we will verify then post those results.

After we post the Virtual Grand Tour results, the California Triple Crown will no longer be posting results from any future Virtual Double Centuries. If ride organizers allow Virtual Double Centuries, they need to explain to their riders that the riders completing a Virtual Double Century will not receive California Triple Crown credit for their ride.

The California Triple Crown has gone out of its way to help everyone through the pandemic.

We look forward to seeing and riding with everyone on the Live Double Centuries!!
